Colin Marshall – Handyman Report for TPC (July 2018 meeting)
27th June 2018

Duties completed in JUNE:

1. Strimmed bank and verge in front of Memorial Hall
2. Strimmed around the play equipment, seats and trees at the Rec
3. Strimmed along the length of the road next to the Rec
4. Strimmed the Barliabins footpath from Dark Lane to Lynch Road
5. Strimmed the Barliabins plantation
6. Strimmed along both sides of the road by the Sheep-dip/top of Dinneford Street
7. Removed and burned the dangerous tree branches from Dark Lane
8. Attended a day at a DCC strimming course (after I had completed most of the above!) which was very good and gave an overview on maintenance of machinery, strimming technique, best practices and safety. My Certificate is on the way!

Hours: 21 @ £12.50 = £262.50 gross which includes 2 hours worked for, and charged to, NSC PC
Materials: fuel for equipment £26.81 plus £29.00 charged to NSC PC = £55.81 total

Outstanding agreed duties:

1. Re cork both noticeboards
2. Cement a metre along the base of the leat outside of the Church to stop a leak springing up through the road outside of Bell House
3. Continue cutting grass as required – working around the MDDC cutting rota
4. Purchase pothole materials and repair agreed pot holes (The Glebe/Fursdon Road/Silver St)

NOTE one of the deep Silver St pot holes is actually to do with a utility company so I can't repair this.

5. Investigate surface water on roads to the North – towards Fursdon and Higher Trey Mill.

- The Road Warden work for Newton St Cyres PC, as agreed last year, has now been completed. £10 will be credited to TPCs 'earmarked' funds for tools and equipment as per the arrangement (my pay is £12.50 per hour but NSC PC is charged £17.50 per hour).
