

What open space or recreational improvements would you like to see in Thorverton?

The Parish Council has access to about £17,000 of funding which must be spent on new or expanded public open space, or on improving recreational facilities to benefit our community. These funds have become available through the planning process, as a result of new housing.

How would you like the Parish Council to use the funding?

We would welcome views. Please make any suggestions in writing to the Parish Clerk, Alison Marshall at Dinneford House, Dinneford Street, Thorverton, Exeter, EX5 5NU, or by email to thorvertonpc@gmail.com.

Suggestions will be made available for all to see at the Annual Parish Meeting at 7.30pm on **Wednesday 25th April** in the Memorial Hall. We would very much welcome discussion of ideas at that meeting, to which all parishioners are invited. The Parish Council would then intend to make a decision at its Council meeting on Tuesday 8th May
