Co-option of a new Parish Councillor:

The closing date for applications for the Parish Councillor vacancy is 7th May – if you are interested in applying please contact the Clerk for more information. It is expected that a new Councillor will be co-opted at the June meeting.

New Clerk required:

If you are looking for part time work (9 hours per week), are able to work from home and have excellent communication, IT and finance skills why not apply? Contact thorvertonpc@gmail.com for information and for an application form.

'20 is Plenty' project:

The project is moving forward with the aim of slowing down traffic travelling through the village. Watch out for the new signs around the village!

School Lane junction safety:

Following confirmation from DCC Highways that it will not give permission for a mirror to be installed at the School Lane junction, the Parish Council has written to higher management at DCC Highways to request that a mini-roundabout be considered, or that alternative suggestions are forthcoming. This action has been taken in support of several residents who are concerned that a serious accident could occur if nothing is done.

New Cemetery:

The planning application has been submitted to MDDC and further news is awaited. The New Cemetery Working Group is in need of additional members and so if you are interested in being part of the new Cemetery project please don't hesitate to contact the Clerk to find out more.

Thorverton in Bloom competition: Will your street take the prize? Find out more in this edition of Focus.

Silver Street Footpath:

The project is currently on hold pending the outcome of a public consultation by MDDC.

Local Footpath Leaflet:

The new leaflet will be available from local outlets shortly and will guide you along several scenic local walks.

Planning Matters:

- i) **21/00616/FULL** erection of a roof over existing cattle feed yard 615 sq m at Yellowford Farm, Thorverton.
