

Thorverton Parish Council – Training and Development Policy

- Thorverton Parish Council acknowledges its responsibility regarding ensuring that adequate and appropriate training is made available to its staff, its members and its volunteers, as and when required.
- The Councils objective is to have appropriately qualified/trained and informed staff, members and volunteers, at hand.
- An annual training budget is agreed as part of the Precept setting.
- The Clerk and the Employment Working Party will recommend appropriate training for Council consideration and staff, members and volunteers, will be encouraged to request training.
- The Clerk will keep a record of available, planned and attended training, together with all associated costs.
- Training for staff will be identified at induction and at annual appraisals/reviews. This relates to both skills and personal development training.
- Any agreed training will evidence support to the running of the Council in order for any costs to be paid or reimbursed.
- The Clerk, or the Employment Working Party, will complete the pre and post training assessments reporting back to full Council as required.
- This training policy will be reviewed at least every 2 years and updated as appropriate.
