In attendance: the Clerk, D/Cllr Deed and C/Cllr Squires for part of the meeting. No members of the public.

Standing Orders suspended

External Repots:

D/Cllr Deed reported that **1)** the Area of Outstanding Natural Beauty Consultation (AONB) had gone to Cabinet and had now been deferred due to Government plans to review its policy on National Parks and AONB. **2)** The Court Barton Close development had won an award. **3)** The Parish Council (PC) may wish to look into a Community Land Trust although with the proposed new development at Broadlands local needs would seem to be satisfied. **4)** As the Ward Cllr for Silverton had been taken ill D/Cllr Deed would be covering the area for now.

C/Cllr Squires reported that **1)** Devon County is the 4th best area in the Country for recycling waste but investigations had shown that more could be recycled by residents. A focus on improving results is to be launched. **2)** There is an overspend on Social Care for Children - 700 children are currently being looked after in Devon – and there seems to be little that can be done to cut costs.

Police Statistics: one local crime was reported in July involving a theft from the Exe Valley Farm Shop where tools were stolen. The matter continues to be investigated.

After discussion it was agreed that the Clerk should clarify the funding situation regarding the electricity supply installation.

18/90 S106 Court Barton funding:

a) Land along Silver Street - Cllr Crang he had spoken to three owners of land along Silver Street, regarding the possible purchase of land by the PC for 'open space', and that two land owners were considering the possibility although both would wish to retain access to the rest of their land.

b) Sheep Dip - The Church Commissioners had invited the PC to enter into negotiations regarding the transfer of the site and Council were reminded that the request to purchase the Sheep Dip had come from several residents

following public consultation. It was noted that both sets of Solicitors fees would need to be covered by the PC should the transfer go ahead and that maintenance costs would need to be considered, together with costs for tidying up the site, prior to an offer being made. It was RESOLVED that the Handyman and Cllr Turner put together costings for new fencing along the stream, strimming and tidying up of the site, repairing the wall where necessary, together with any other areas such as the grill and its fixings (Cllrs Bright and Crang).

c) Other - It was RESOLVED that other ideas for the spending of the S106 funds should include the Handyman and Cllr Turner looking into costings for pic-nic tables for both Jubilee Green and Leigh Gardens and that the Clerk would contact the Court Barton Close Management Company regarding the possible purchase of land around the attenuation pond (Cllrs Crang and Waldron).

v) Raddon sign post – DCC Highways had advised that it had no record of an official Raddon sign ever being in place at this junction and that funding is not currently available for one. It accepts no responsibility for the illegal sign now in place which could be removed during a future inspection. If the PC wished to pay for a new sign this could be arranged through DCC Highways. It was RESOLVED that the Clerk write to DCC Highways for a quote for an official sign (Cllrs Bright and Crang).

a) Mower - The working group reported that funding of approximately £4000 upwards (plus VAT) would be required for a new 48 inch cut ride-on-mower to replace the current smaller mower. It was agreed that the Budget for the new financial year should reflect this proposed spend (Cllrs Turner and Sims).

b) Use of the Rec - Cllr Waldron was keen for the PC to encourage an uplift in use of the Rec and suggested a trim trail or boules pitch or, out of football season, a tennis court. Cllr Crang confirmed that as the land had been given under the 'open spaces' Act no-one had exclusivity of the ground meaning it remains available for all to use at any time. It was RESOLVED to advertise the facility with a request for public feedback as to how the Rec could be better used to fit around Football Club and to include local events (Cllr Waldron and Crang). Cllrs Lane and Waldron volunteered to create a poster and to arrange for the advertising to appear in Focus and on local social media.
