Reuse Credit Scheme - Consultation

Dear Parish / Town Clerk

I would like to inform you of a new consultation representing the partner authorities for the *Devon Authorities Strategic Waste Committee (DASWC)*;

Consultation – Review of the Reuse Credit Scheme (RCS)

The consultation will be open between **25th February 2019** and the **5th April 2019** (6 weeks).

Summary of the consultation:

The Reuse Credit Scheme (RCS) is a joint funded *Devon Authorities Strategic Waste Committee (DASWC)* initiative which pays a discretionary financial 'credit' of approximately £60/tonne to 14 registered groups for furniture and other items recovered from the domestic waste stream for redistribution.

RCS Groups – by local authority area

Local Authority	RCS Group Name	2017/18 Tonnes	RCS Group - Website
East Devon	RIO	29	http://www.rioforyou.co.uk/
Exeter	Turntable	122	http://www.turntable.org.uk/
Mid Devon	ReFurnish - Crediton	110	https://www.refurnish.org.uk/
North Devon	ReFurnish – South Molton	48	https://www.refurnish.org.uk/
	ReFurnish - Barnstaple	47	https://www.refurnish.org.uk/
South Hams	ReFurnish – Wrangaton	53	https://www.refurnish.org.uk/
	ReFurnish – Totnes	133	https://www.refurnish.org.uk/
	ReFurnish - Dartington	3	https://www.refurnish.org.uk/
Teignbridge	ReFurnish – Newton Abbot	61	https://www.refurnish.org.uk/
	ReFurnish - Buckfastleigh	20	https://www.refurnish.org.uk/

idge	ReFurnish - Bideford	30	https://www.refurnish.org.uk/
West Devon	ReFurnish – Tavistock	74	https://www.refurnish.org.uk/
	Proper Job	24	https://www.proper-job.org/
Torbay	MASH	13	http://www.mashcharity.co.uk/

Whilst the positive contribution of RCS groups is recognised, partner authorities are increasingly supporting a wider range of community-based reuse activities, at a time when additional obligations are being placed on authorities through National and partner-wide strategies.

This consultation presents three options;

Option 1. (Proposed) – Discontinue the RCS through a phased reduction in allocation.

Option 2. – Continue to fund the RCS, with modifications.

Option 3. – Continue to fund the RCS under current arrangements.

This consultation is open to all and we would welcome your input.

The consultation and Impact Assessment are available at: <https://new.devon.gov.uk/haveyoursay/categories/waste/>

If you would like this consultation in another format, please contact;

email: waste@devon.gov.uk,

Phone: 0345 155 1010.

Post: Iain Stevens, Devon County Council, Matford office (Room 21), Topsham Road, Exeter, EX2 4QD.

Many thanks.

Community Led Planning (Parish Plans)

Devon Communities Together continues to support Community Led Planning as a very useful way of supporting community development, often offering more flexibility and greater scope than the Neighbourhood Plan process. Most often referred to as a Parish Plan, sometimes a Community Plan, this is a good process for drawing communities together, identifying needs, opinions and the scope for community development.

We can introduce your parish to the concept of community plans, provide a toolkit to help you through the process, support you with advice and materials.

If you would like help to:

- Consider undertaking a CLP for the first time
- Updating your existing plan (They usually have a life span of about five years.)
- Help with moving your planning process forward
- Advice on implementing your plan

Then please get in touch.

How communities respond to emergencies is a key objective of Devon Community Resilience Forum, which brings together the emergency services and other key responders.

Devon Communities Together is a member of the forum and undertakes to work with communities to help them produce local emergency plans.

We would be grateful if you would respond to the following:

1. Does your community have an Emergency Plan? If so, when was it published?

If you have a plan we will check that it is on the County database.

2. Is your community in the process of producing a plan?

3. Has your community considered and decided not to produce a plan?

4. Would you be interested in details of the emergency planning training and development events that we organise?

Please include the name of your community and the preferred contact details.

Please reply to: martin@devoncommunities.org.uk

or to the address below.

Thank you.
