Will Your Town or Parish Council Join the Pick?

Great British Spring Clean | 22 March - 23 April 2019

It's not long to go until the Great British Spring Clean, which is set to be the country's biggest-ever mass-action environmental campaign.

Volunteers across the country will soon join forces to clean up litter pollution from our streets, parks and beaches, recycling as much as possible.

We've already exceeded last year's total of 371,000 volunteers taking part, and we are on course to reach our target of 500,000 by Friday.

But we can't deliver the Great British Spring Clean without your amazing support on the ground. **Please show your support for the campaign and let**

John please can you forward to all members of Speedwatch.

Dear Speedwatch,

I am writing on behalf of Thorverton Parish Council to say 'thank you' to everyone involved in Speedwatch for their ongoing support and commitment shown over the past twelve months. Your actions have not gone unnoticed and have, indeed, gone a long way towards helping to make the village a safer place for everyone associated with it.

The Parish Council is keen to continue supporting Speedwatch and looks forward to hearing about future news and events.

I thought that an e-mail would be the best way to forward this 'thank you', to enable it to be circulated, but if you would prefer a letter then please do not hesitate to let me know.

Keep up the great work!

Kind regards,

Alison

Dear Alison,

John Hodge has forwarded your message to the Thorverton Speed Watch Group from the Council; I, in turn have distributed the message to the members of the Group.

On behalf of the Group, I thank the Council for its interest and expressions of support for our activities, and say that we look forward to continuing future liaison on speeding issues.

We intend to make routine reports to the Council concerning our activities, within the limitations that we have concerning issue of data, and to work with the Council on any particular vehicle use problems that may be identified, within the scope of our authorisation from the Police.

We are fortunate to be a group of 6 "workers" which enables us to arrange useful coverage of speeding surveys but we will need to seek further volunteers to join in the rotas; we ask the Council to be aware of this need when meeting Parishioners.

Whilst writing we mention that we expect to have formal approval in the near future, for another survey site within the Parish to enable us to extend our activities.

I shall be grateful if you will present this reply to the Council on our behalf.

Yours sincerely

Ken Ham

Dear Geoff and Stay Lucky,

I am writing on behalf of Thorverton Parish Council to say a big 'thank you' to the band for supporting the helicopter night landing site project and for playing at the recent March 2nd fund raising event for free.

I am delighted to be able to advise you that all the required funding is now in place, with a little over for ongoing maintenance, and that the project will, therefore, be completed as soon as planning permission for the light pole has been granted by Mid Devon District Council which, we have been told, should arrive any day.

I thought that an e-mail would be the best way to forward this 'thank you' to enable it to be circulated but if you would prefer a letter then please do not hesitate to let me know.

Kind regards,

Alison

Dear Memorial Hall Committee,

Helicopter Night Landing Site for Thorverton – Devon Air Ambulance Trust

I am writing on behalf of the Parish Council to say a huge 'thank you' to the Memorial Hall Committee for supporting the Night Landing Site project and for helping out on the evening of March 2nd. I am sure you will agree that the evening was a great success and that all who attended had a great time.

Due to the generosity of the Hall Committee there is now sufficient funding to complete the project this summer.

Thanks also go to Penny Fice, Stephanie Shelton, Jane Laskey, Sheila Ball and any other volunteers who so kindly gave up their time to help on the evening of March 2nd.

Kind regards,

Good afternoon,

I am writing to you on behalf of Thorverton Parish Council to request that the pavement along Silver Street, Thorverton, from Court Barton Close to 37 Silver Street be dug back as debris from the hedge being cut on several occasions has narrowed the walking area significantly. This pavement is used by school children walking to and from School and is currently seen as being a safety hazard.

I look forward to receiving confirmation that this request has been actioned and should you require any further information please do not hesitate to contact me.

Kind regards,

Alison

Duty Planning Services - New Service from 15th April

1 message

Dear Parish Clerks

Please see a copy of the press release from yesterday in respect of the new duty planning services for general planning advice. <https://www.middevonnewscentre.info/changes-to-councils-duty-planning-service-this-easter/>

It was agreed by Cabinet on 7th March that Mid Devon District Council could charge a small fee for the duty planning services. This is due to the cost to the council and local tax payer – we will now be able to recover some of the costs by charging a fee, and at the same time still able to resource a small service, rather than remove it entirely.

The officers will now be able to focus on meeting the statutory planning requirements and targets, as well as the deadlines for paid for applications.

Kind regards

Ruthie
